

1DIFF240CL25M95

25M Roll Clear 95% For CHAN240,250

PRODUCT OVERVIEW

Achieve a clean, continuous finish for your lighting installation with our clear diffuser, featuring a high 95% light transmission rate for maximum brightness and clarity. Supplied in a convenient 25m roll, it's ideal for installations where the LED profile is in direct view, eliminating the need for joins that can disrupt the seamless line of light.
