

DSCHAN110OLWH

Display Stock 2m Profile 110 Surface White With Opal Diffuser

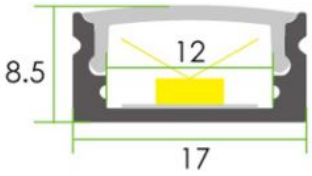

PRODUCT OVERVIEW

DSCHAN110OLWH profile is a slim, surface mounted solution ideal for applications such as toe kicks, retail display lighting, and bathroom cabinetry. Designed as a cost effective option, it delivers a clean, dot-free line of light when paired with the appropriate LED strips. Constructed from 6063 structural-grade aluminium, the profile acts as an efficient heat sink to support LED performance and longevity. It is paired with a durable PMMA (acrylic) diffuser, suitable for interior use or exterior installations out of direct sunlight. Installation is simple and fast, with the option of screw fixing using mounting clips or countersunk screws through the profile base for a secure, streamlined finish.
