LED Strip Connector MINI 10mm Mono SMD/COB Join 5PCS

PRODUCT OVERVIEW

10mm SMD/COB Strip to Strip Connectors – Pack of x5

The Hippo-M Mini 10mm connector provides a fast, tool-free solution for connecting LED strip. Compatible with our LS700 & LS700S COB range, as well as 10mm SMD LED strip, this connector is well suited to joinery and cabinetry applications where space is limited. Its compact form factor allows it to fit easily within aluminium profiles, furniture grooves, and tight installation spaces.
