

LCDMSD-TD3-4SW

DALI RGB Wall Mount Controller DT8 4 Zone IP20 White

PRODUCT OVERVIEW

The TD3-4S is a 4-Zone DALI Master Touch Panel with a control interface designed for advanced multi-zone lighting control. It supports four DALI addresses and is compatible with DT6 dimming, DT8 tunable white (TC), DT8 RGB and DT8 RGBW control. DALI-2 certified and compliant, it ensures seamless integration with a wide range of international DALI products. The panel can be powered directly by the DALI bus or by 24VDC and allows DALI addressing via an encoding switch, supporting unicast, group and broadcast modes, as well as slave address assignment. Featuring an ultra-sensitive, high-strength glass touch surface with an integrated colour slide, it delivers smooth and accurate colour adjustment, supported by three programmable scene memories and visual LED touch indicators. An optional RF 2.4GHz four-zone remote control can also be paired for added flexibility.
