

LDDL1003-3K-3W

Led Deck Light 3Watt 43° IP67 3K

PRODUCT OVERVIEW

The LDDL1003 LED Deck/Wall Light features a durable 316 stainless steel face paired with an anodised, CNC-machined 6063-grade aluminium body. High-grade silicone seals provide superior protection, achieving an IP67 waterproof rating for reliable outdoor performance. Operating on 12–24V DC constant voltage, these lights must be wired in parallel and draw a small inrush current at start-up. Please refer to our recommended driver guide to determine the maximum number of fittings supported per driver.
