

LDDL1003-4K-3W

Led Deck Light 3Watt 43° IP67 4K

PRODUCT OVERVIEW

The LDDL1003 LED Deck/Wall Light features a durable 316 stainless steel face paired with an anodised, CNC machined 6063 grade aluminium body. High grade silicone seals provide superior protection, achieving an IP67 waterproof rating for reliable outdoor performance. Operating on 12–24V DC constant voltage, these lights must be wired in parallel and draw a small inrush current at start-up. Please refer to our recommended driver guide to determine the maximum number of fittings supported per driver.
