3D Neon Flex 8W/m 690lm/m LED 3000K IP67 End Feed 5M

PRODUCT OVERVIEW

Our 10×10mm 3D Bendable Neon Flex delivers versatile, seamless illumination for applications that demand flexibility in every direction. Designed with true 3D bend capability, this neon flex can curve both horizontally and vertically, making it ideal for complex shapes, curved joinery, and architectural features where traditional strip lighting falls short. With an IP67 rating, it is fully protected against dust and water ingress, making it suitable for both interior and exterior applications, including wet areas and exposed installations.
