

LDSL300-RGBW-3K

Led Spike Spot 5W 12VDC IP67 RGBW(3K)

PRODUCT OVERVIEW

The LDSL300-RGBW-3K is a high performance 5W RGBW exterior spotlight designed for vibrant colour and warm white illumination. Operating at 12V DC with an IP67 rating, it includes a 1.5m 4 core cable and offers flexible installation as either a surface mounted fixture or as a garden spike spot when paired with an optional spike. A 38° beam angle delivers focused, controlled lighting for landscape and architectural features. These fittings draw a small inrush current at start-up, please refer to our recommended driver guide to determine the maximum number of fittings supported per driver. Spike sold separately.
