

LEDCHAN450OL

Ultra Shallow Surface Mounted 16mm x 6mm Aluminium Profile

PRODUCT OVERVIEW

LEDCHAN450 is a slim profile designed for both surface and recessed mounting, making it an ideal solution for under cabinet lighting, toe kicks, retail displays, and bathroom cabinetry. Its streamlined form delivers clean, even illumination with appropriate strips whilst integrating discreetly into a wide range of interior applications. Featuring a slide in lens design, diffuser must slide in from one end.
