

LEDCHAN650OL

Micro Surface Mounted 7.9mm x 5.7mm Aluminium Profile

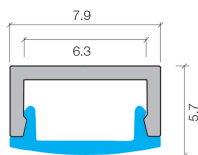

PRODUCT OVERVIEW

LEDCHAN650 is a compact aluminium profile from our Micro range, designed for surface mounting or recessing where a clean, minimal lighting detail is required. Engineered to create slim lines of colour or subtle colour accents, it integrates seamlessly into joinery, shelving, and architectural details. Compatible with our Micro LED strips, LEDCHAN650 offers a refined, low profile solution ideal for precision lighting and decorative applications in modern interior environments.
