

LEDCHAN680BLBK

Deep Wall Mounted 42mm x 35mm Aluminium Profile

PRODUCT OVERVIEW

LEDCHAN680 is a wall mounted aluminium profile designed for up or down lighting applications using either low or high powered LED strips. Its clean linear form makes it ideal for creating ambient or feature lighting in both residential and commercial interiors. Suitable for a wide range of output requirements, LEDCHAN680 provides a versatile architectural lighting solution for corridors, feature walls, and general wall wash applications.
