

LEDCHAN780OL

Micro Recessed 14mm x 9mm Aluminium Profile

PRODUCT OVERVIEW

LEDCHAN780 Micro Profile is a compact aluminium profile designed for discreet recessed installation where minimal visual impact is required. Engineered to integrate seamlessly into joinery, cabinetry, and architectural details, it creates a clean, precise line of light with a refined finish. Compatible with our Micro strip range, this profile is ideal for subtle accent lighting and detailed applications where controlled illumination and a low profile solution are essential.
