

LEDCHAN800OL

Shallow Plaster Recessed 66.4mm x 16.4mm Aluminium Profile

PRODUCT OVERVIEW

This plaster-in aluminium profile is designed to integrate seamlessly into ceilings and walls, delivering a clean, architectural line of light with no visible trim. Once plastered over, the profile becomes flush with the surrounding surface, allowing the illumination to appear as an uninterrupted part of the structure. Ideal for modern interior spaces, it provides a refined, minimalist lighting solution suited to residential and commercial applications where subtlety and visual continuity are key.
