

LEDCHAN803OL

Shallow Plaster/Recessed Internal Corner 49.8mm x 26.2mm Aluminium Profile

PRODUCT OVERVIEW

This internal corner plaster-in aluminium profile is designed to create a clean, continuous line of light through inside corners while remaining completely flush with the finished surface. Once plastered, the profile integrates seamlessly into the wall or ceiling, leaving a crisp architectural junction with no visible trim. Ideal for modern interiors, it allows light to flow smoothly around internal corners, delivering a refined, minimalist finish suitable for residential and commercial applications where precision detailing and visual continuity are essential.
