

LS100-24V-25W-RGB

LED Strip 25W/m 24V RGB IP20

PRODUCT OVERVIEW

Bring vibrant, dynamic lighting to your space with our RGB Colour Changing LED Strip, delivering a high wattage of 25W/m for rich, saturated colour and smooth blending across the full RGB spectrum. It provides vivid, consistent illumination ideal for feature lighting, hospitality venues, bars, retail displays, and architectural accents where colour versatility and visual impact are desired. LS100 25W RGB is best suited with profiles with 25–30 mm depth and width to achieve uniform diffusion, this strip offers excellent performance in a variety of interior lighting designs. Compatible with PWM (Pulse Width Modulation) dimming, control options include DMX, DALI, CASAMBI, Wi-Fi, handheld remotes and more, allowing full customisation and automation of your lighting environment.
