

LS100E-24V-15W-RGB

LED Strip Classic 15W/m 24V RGB IP65

PRODUCT OVERVIEW

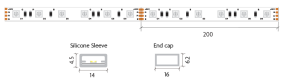

LS100E RGB 15W/m features an IP65 Silicone Sleeve offering dependable protection against moisture and dust, making it suitable for a range of outdoor lighting applications. Delivering vibrant colour changing illumination, it's ideal for enhancing exterior facades, garden edging, handrails, under-bench seating, pergolas, and pathways. Designed for use out of direct sunlight, this strip brings dynamic and durable lighting performance to exterior environments.
