

LS100MS-24V-6W-27K

LED Micro Strip 6W/m 24V 2700K IP54 Silicone Coated

PRODUCT OVERVIEW

The LS100MS 6W/m Silicone Spray Micro Strip delivers low output lighting with a sleek, moisture resistant finish. This ultra slim strip measures just 4.5mm wide, making it perfect for use in micro profiles and tight installation spaces. It provides efficient, even illumination ideal for subtle accent lighting in cabinetry, shelving, joinery, display cases, and other confined or decorative areas. The silicone coating offers light protection against dust and splashes, making it suitable for indoor and semi outdoor environments where space and precision matter.
