

LS200-48V-15W-RGB

LED Strip Classic 15W/m 48V RGB IP20

PRODUCT OVERVIEW

Bring vibrant, dynamic lighting to your space with our 48V RGB Colour Changing LED Strip, engineered for long single feed runs thanks to its efficient 48VDC operation. LS200 RGB delivers rich, saturated colours with smooth transitions across the full RGB spectrum, making it ideal for feature lighting, hospitality venues, bars, retail displays, and architectural applications where colour versatility and visual impact are essential. LS200 is a high performance strip which provides vivid, consistent illumination across extended lengths and is compatible with PWM dimming. It integrates seamlessly with a wide range of control systems including DMX, DALI, CASAMBI, Wi-Fi, handheld remotes, and more, enabling complete customisation and automation of your lighting environment.
