LS460-24V-29W-3K

LED Strip Sunlike 29W/m 24V CRI97 3000K IP20

PRODUCT OVERVIEW

The LS460 LED strip is engineered for exceptional colour accuracy, featuring high efficiency LEDs with a CRI of 97 that deliver light remarkably close to natural daylight. This ensures that colours, textures, and finishes appear vibrant, balanced, and true to life in any environment. In addition to its outstanding visual performance, the LS460's high colour rendering quality helps reduce eye strain and fatigue by providing light that the human eye perceives as natural and comfortable making it ideal for spaces requiring precision and clarity. Perfect for applications where colour fidelity is critical, such as retail displays, art studios, galleries, and medical facilities, the LS460 offers consistent, professional grade illumination designed for reliability and long term performance.
