

NF-WH-1616-24V-14W-4K

Neon LuxFlex White 14W/m 24VDC CRI90 4000K IP67

PRODUCT OVERVIEW

Luxflex 16×16mm High Efficiency Neon delivers a smooth, continuous line of light with exceptional versatility for a wide range of architectural and decorative lighting applications. Featuring a 3D bendable design, it offers flexibility for creating curves, contours and intricate lighting features. With an IP67 rating, Luxflex is suitable for both indoor and outdoor applications. Each length is custom cut and sealed in factory to suit individual project requirements, ensuring a tailored finish. A large range of mounting accessories and end cap options, including end, side and bottom cable feeds, provides greater installation flexibility across a variety of applications.
