

# PSTW-12V-60W

LED Driver Non Dimmable 12V DC 0-60W IP20

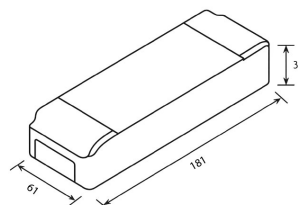

## PRODUCT OVERVIEW

The PSTW-12V-60W is a compact 12V power supply designed for interior use, ideal for powering LED strips and step lights with loads between 1-60W. It features large primary terminals for easy looping of input cables, simplifying installation. This driver is compatible with PWM dimming and colour-changing controllers, providing flexible lighting control. The 230V terminals are covered for added safety and reliability.
