NOTE:

** This linear LED product must be installed in an appropriate TASK Lighting or similar approved LED mounting profile/channel to dissipate heat. Failure to do so may result in a much shortened LED life, colour shift and void the warranty.

As this LED strip is extremely delicate it can only be dispatched fully assembled into the chosen mounting profile. LEDCHAN650 & 720 are the profiles especially suited to this LED strip.

While every effort has been made to ensure the accuracy of all information provided Task Lighting can not be held responsible for any errors. Task Lighting also reserves the right to modify/delete product details without notice.
