

DSCON-MAX12-FEED-50

12mm Feed Connector Pack

PRODUCT OVERVIEW

The 12mm Max Connector provides a fast, tool-free solution for power feed connections. Designed for a secure and reliable fit, it is supplied without a tail wire, allowing you to add your own length of cable to suit your installation. Suitable to use with 12mm SMD LED strip.

Pack of x50 Strip to Power Feed Connectors. Cable not included.
