

DSCON-MINI10-FEED-5

10mm Feed Connector Pack

PRODUCT OVERVIEW

The 10mm Mini Connector provides a fast, tool-free solution for strip-to-power feed connections. Designed for a secure fit, it is supplied without a tail wire, allowing you to use the cable length best suited to your installation. Compatible with our LS700 & LS700S COB, as well as 10mm SMD LED strip.

Pack of x5 Feed Connectors. Cable not included.
